

the Wine Tasting Sessions

an **authentic** experience

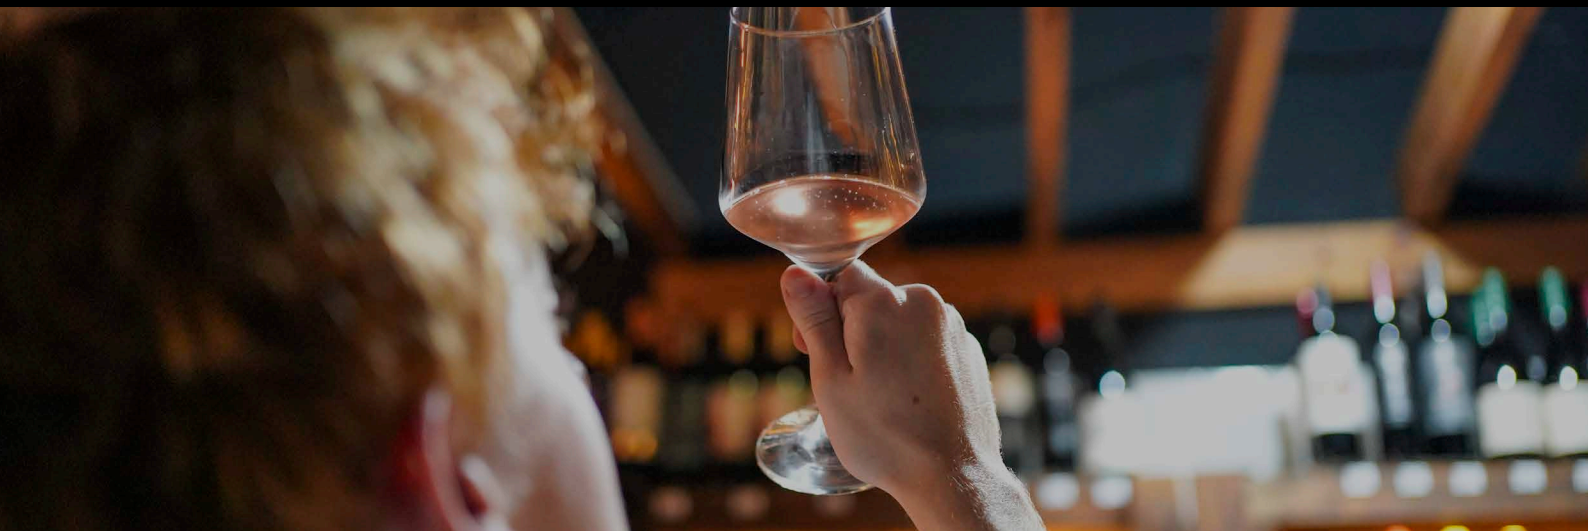

About

the Wine Tasting Sessions

Immerse yourself in **the magic of Argentinian wines**, where our global reputation as the fifth-largest producer and second-largest consumer of this elixir sets the scene for exploring our diverse grape varieties.

At the Wine Tasting Sessions, our Sommeliers will take you on a journey through the most significant wine varieties found in Argentina, exploring their unique **aromas, tastes and visuals**.

Held at exclusive and charming venues, this Experience is an ideal evening plan to savor some of the world's finest wines right in the heart of Buenos Aires.

the Experience

Taste a curated selection of local wines

Delve into Argentina's rich wine landscape, from top global exporters to family-owned vineyards, exploring the great diversity of terroirs and grape varieties.

Paired with local tapas-style light bites

Indulge in tapas-style light bites sourced from local artisan producers.

Elevate your senses to a whole new level

Immerse yourself in the distinctive aromas, flavors and visuals that define our wines, gaining expert insights along the way.

Learn from the best Sommeliers

Our team of seasoned Sommeliers, trained at the prestigious Argentine School of Wines, is poised to share their extensive knowledge with you.

Have a puta madre time!

We are committed to making sure you enjoy every moment in a fun and relaxed environment.

Our Wines
